# Training Information

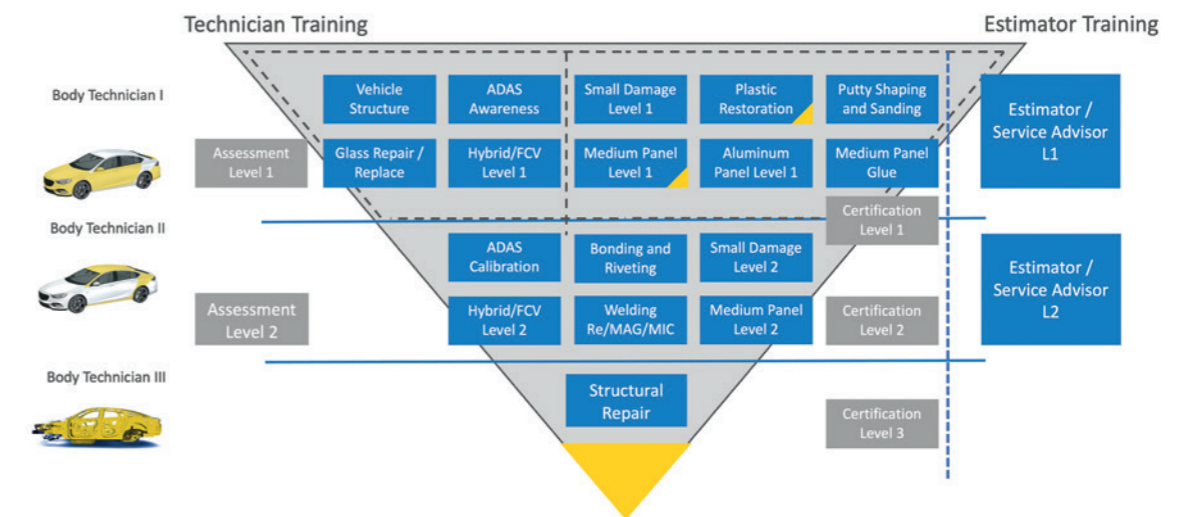

## Effective Training

BETAG offers a comprehensive body repair training and development program suitable for estimators and technicians of all experience levels.

## Training Objectives

Developing the knowledge & skills of estimators and technicians with effective training delivers fast, measurable operational and financial performance improvements.

## Estimation & Technician Training Program

## Business Benefits Include:

- ▲ Increasing productivity of technicians.
- ▲ Improving repair/replace ratio - to increase gross profit & bottom line performance.
- ▲ Improving overall quality of repairs and reducing re-works.
- ▲ Increasing 'Touch Time' and reducing 'Key to Key' times.
- ▲ Utilizing ROI from improving the non-structural repair process to invest in training and equipment for more capital-intensive structural repairs.

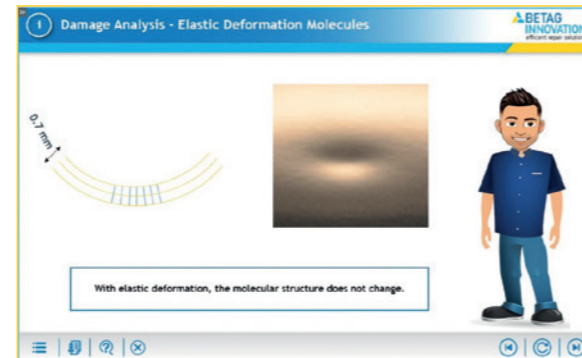

## eLearning

BETAG has developed a range of eModules and live streamed eClasses to support its in person, instructor led training courses.

Used in combination, these three learning formats enable OEMs and repairers to cost effectively assess, develop and maintain estimators' and technicians' knowledge & skills without compromise to learning objectives.

This is achieved by:

- Enhancing knowledge retention and embedding behaviour change, by creating an easily accessible resource library that estimators and technicians can continue to access after completion of training.
- Minimizing loss of workshop productivity by enabling estimators and technicians to complete some learning elements remotely before attending in person training.
- Reducing associated travel and subsistence costs.

For more information about our training program and to find a course near you, please visit [betaginnovation.com / betagnorthamerica.com](http://betaginnovation.com/betagnorthamerica.com).

“BETAG’s training has been one of the most impactful things I’ve seen at the production level”

**Ed Dietz**  
Lefler Collision & Glass, IN

“BETAG’s hands on training has broadened our technician’s perspective of how to repair metal. And the aluminum training was a game changer.”

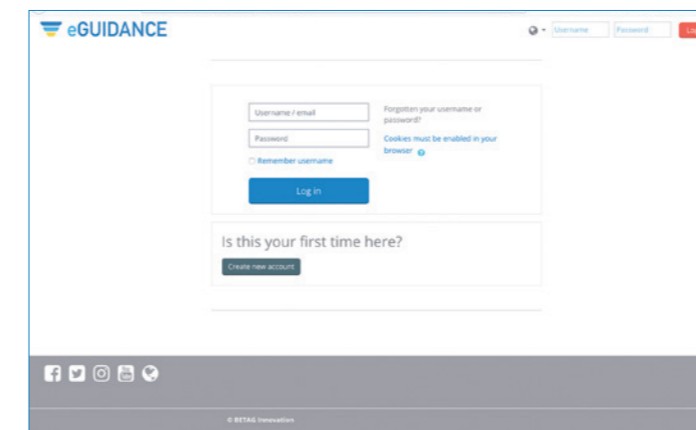

**Dan Koenigsberg**  
Anderson Body Shop, MD

## eGuidance

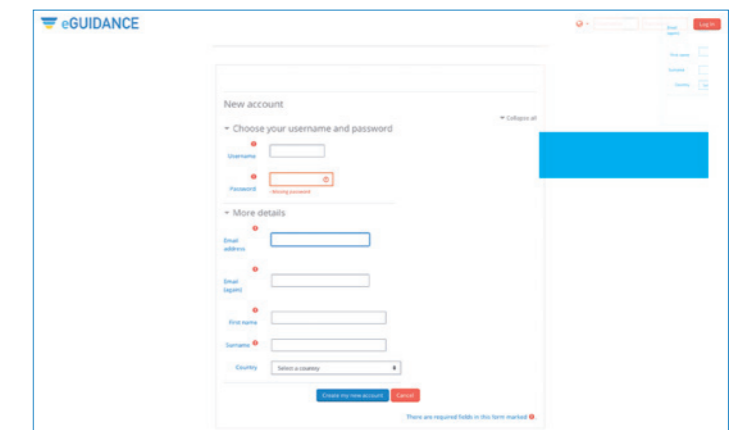

To access our training programs simple go to our eGuidance platform [www.betaglc.com](http://www.betaglc.com).

And in 4 simple steps you are in the middle of our learning environment.

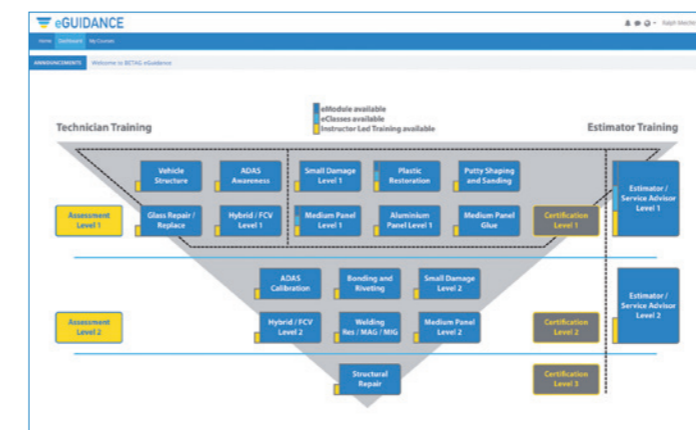

### Step 1

### Step 2

### Step 3

Here you can choose the classes that you are interested in.

### Step 4

The classes, eclasses and elearning is split into different sections.

# Plastic Fusion

**Plastic Fusion Pro Station (10400)**

- Plastic Fusion Pro Unit
- Integrated Tacker
- 3 Fusion Modes
- Plastic Vice
- Two Speed Grinder
- Flat Welding Strips
- Tacks
- Plastic Dent Wheel
- Nitrogen & External air connection
- Optional - Grinder with Roloc attachment

**Plastic Fusion Business Station (10450)**

- Plastic Fusion Business Unit
- Plastic Vice
- Flat Welding Strips
- Plastic Dent Wheels
- Integrated Tacker
- Tacks
- Two Speed Grinder with ROLOC Attachment

**Plastic Fusion Business Slim (10454)**

**Complete Plastic Repair Station**

**Optional Add Ons**

- Chemical Repair Set (10480)

- Plastic Welding Set (10030)

- Nitrogen Bottle Holder (10415)

**Plastic Fusion Pro Slim (10404)**

**Plastic Fusion Eco Station (10470)**

- Plastic Fusion Eco Unit
- Plastic Vice
- Two Speed Grinder
- Flat Welding Strips

**Plastic Fusion Eco Slim (10474)**

# Plastic Fusion Units

## Plastic Fusion Pro Unit (10405)

Adjustable temperature and tacker settings  
Pressure Regulator

### 3 FUSION MODES

- Internal Compressor
- External Air Connection (increased air flow)
- Nitrogen Connection

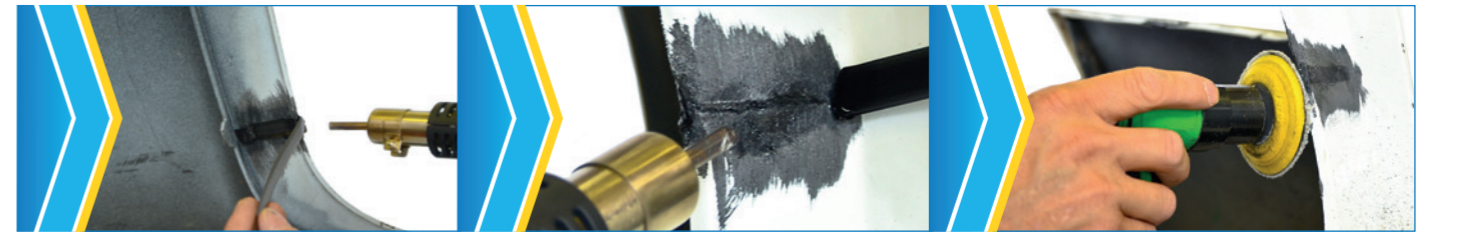

## Plastic Fusion Business (10455)

## Plastic Fusion Eco (10475) without tacker / 1 welding mode - internal compressor

# Plastic Fusion Repairs

## Repairing a Crack

## Repairing a Hole

## Repairing a Tab

# Plastic Welding Set

Plastic Welding Set (10030)

Double Side (10090)

Single Side (10091)

Corner Welding (10092)

Wide Welding (10095)

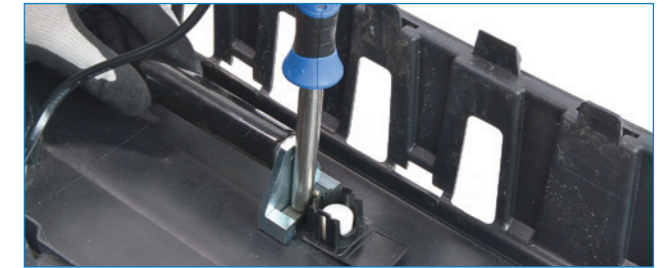

Dom Welding (10094) (10096) (10097)

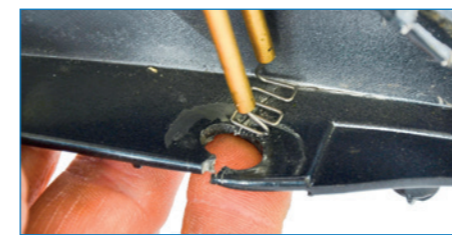

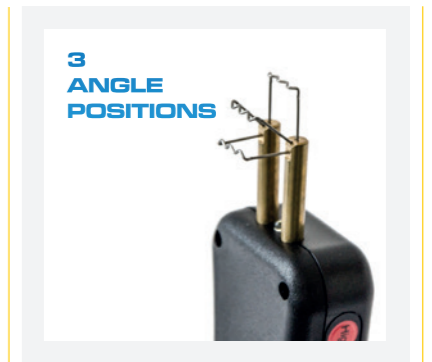

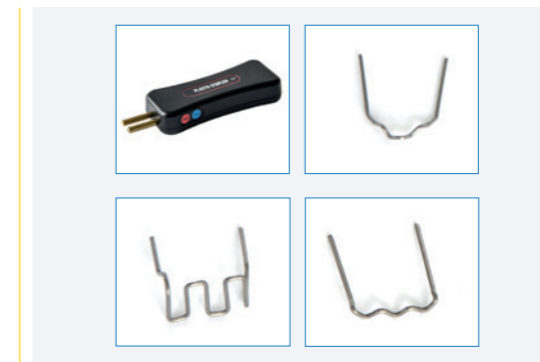

# Other Plastic Repair Tools

Plastic Joining System (10600)

Plasto Stapler Set (10010)

# Plastic Dent Wheels

**Plastic Dent Wheel Set (10554)**

**Plastic Dent Wheel 1 R8 (10550)**

**Plastic Dent Wheel 2 100R (10551)**

**Plastic Dent Wheel 3 52R (10552)**

**Plastic Dent Wheel Flat (10553)**

# Plastic Repair Spare Parts

**Flat Welding Strips - Black**

(10210)

**Flat Welding Strips - White**

(10211)

**Round Welding Strips - Black**

(10212)

**ABS Welding Strips - Black**

(10214)

**ABS Welding Strips - White**

(10215)

**ABS Round Welding Strips - Black**

(10216)

**Tack Angle**

(10050)

**Tack Large S**

(10051)

**Tack Small S**

(10052)

**Nitrogen Bottle Holder**

(10415)

**Plastic Vice**

(10430)

**Two Speed Grinder**

(10431)

**Two Speed Grinder w/Roloc**

(10437)

**Replacement Sander Pad - Velcro**

(10435)

**Replacement Sander Pads - Roloc**

(10434)

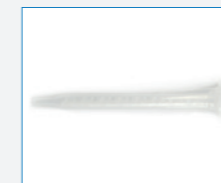

**Dispenser Gun**

(10481)

**PU Rigid Black**

(10482)

**Static Mixer**

(10484)

**Contouring Film**

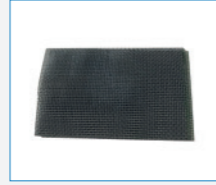

(10485)

# Plastic Repair Spare Parts

**Reinforcement Film**

(10486)

**Net - 5 pieces**

(10080)

**Iron Welding Set**

(10025)

**Soldering Iron Euro Plug**

(10063)

**Soldering Iron US Plug**

(10064)

**Plastic Cutter Complete**

(10070)

**Plastic Cutter Blade**

(10071)

**Double Side Welding Tip**

(10090)

**Single Side Welding Tip**

(10091)

**Corner Welding Tip**

(10092)

**Dom Welding Tip**

(10094)

**Wide Welding Tip**

(10095)

**Small Dom Welding Tip**

(10096)

**Flat Dom Welding Tip**

(10097)

**Flattening Tip**

(10098)

**Flex Heat Glove**

(10086)

**Bumper Shaper**

(10087)
